All buildings and test sites in the district will follow this schedule without exceptions. Students may not be administered any session of an MCA-II test prior to the district-wide test administration date of that test session. All test sites will follow test administration principles, rules, and guidelines set by Minnesota Department of Education in the MDE test administration manuals to ensure the integrity and security of the MCA-II tests. (State Testing dates are based on the MDE Testing Schedule dated 1/9/08 and are subject to change.) 3/20/08
